

STARFISH SCHOLARSHIPS INDIA

Scholarship Application 2020

Background Information:

Starfish Scholarships India is a non-profit organization based in Toronto, Canada. Every year, the organization strives to grant a one-time scholarship of \$1,250.00 CAD to a deserving student of the Olcott Memorial School in Chennai, India. This money is to be used to enable the student to pursue further education and to reach his or her career objectives. The award is granted to participants of the International Award for Young People who have demonstrated academic excellence, leadership potential, and a passion for community service.

The Scholarship will be granted to the successful student upon providing proof of enrollment in an educational or vocational institute. The funds will be disbursed in four annual installments of \$313.00 CAD over the course of the student's educational years of study, provided that the student remains enrolled in their academic program.

This application form contains a total of 5 pages and can be filled out manually by hand or electronically via computer (electronic form). **Please note that students must provide original and authentic answers that differ from and are independent of those of their peers.**
